Presents

**TURPINS TRAIL**  
**SUNDAY 10th May**  
**Start 2pm – Finish 3pm**

A challenging SPONSORED WALK OF 3.25 miles over a circular route, along the trails once used by highwaymen in picturesque EPPING FOREST for all the family to enjoy, and at the same time assist in raising money for the 'MAKING TINY DREAMS' appeal, a charity that provides simple innovative wind-up equipment for life saving infant support facilities in African areas where there is no electricity.

There is a shorter route available that is a mile less for the less adventurous who feel that 3.25 miles is too daunting.

Golf Putting will also be available for all to enjoy.

Car Parking, Refreshments, toilets and the KINGS OAK Public House are all close to the start and finishing point.

*Enjoy your afternoon, many thanks for your participation, and especially your support for this very worthy cause.*
